### Question 3a

#### Your Comments

**Please give details of why you consider that this part of the Local Plan is not legally compliant or unsound or fails to comply with the Duty to Cooperate.**

During lockdown, I was able to explore my local area on a daily basis, something I would not have had the time to do whilst working full time. I took the same walk each day through Skerningham wood and the surrounding area. This is one of the few areas locally to where I live that I can walk in and be in nature.

If you were to build on this land, it would have a devastating impact not only on nature but on the residents in my local area.

I whole heartedly object to any building.
