I'm writing this e mail to strongly oppose against the plans for the garden village and new golf course at whinfield. I have lived in this area for 30 years and it's stunning I do not agree to loose all this beautiful stunning wildlife area. There are plenty of brown beltsb still to use.this area is full of wildlife many protected and lots of protected trees.there's lots of history in this area and I'm sure I've read that because of this building is not allowed by law.the poor animals and birds will lose there homes. With the covid virus it proves even more that these green sites are needed more than ever so many people go walking here.there is already a golf course another 1 is not needed.the roads can't cope with the traffic now with all the new houses and road access it's going to be horrendous. Also how to schools Dr surgery's etc going to cope with extra 100 s of people.

Stop and listen to people who are against this plan it's a done deal though anyway you do not care for environment etc all you want is money well stop this and give the people what they want a beautiful countryside to live and enjoy.
