Question 3a

Your Comments

Please give details of why you consider that this part of the Local Plan is not legally compliant or unsound or fails to comply with the Duty to Cooperate.

I would like to express my concern over the proposed building plans around the Whinfield area. My own personal reasons are as follows - :During the autumn and winter months 2019_2020 I was experiencing mental health issues. (not experienced this before). As I live in the Whinfield area, I would take myself off for local walks every day. I benefitted from being outside in open space, enjoying wildlife and eventually meeting new people. It would be an awful shame to loose the beautiful areas we have locally. I ask myself, where would I be today if we didn't have local and amazing walks? My answer to myself? I would probably be on medication!!! We need these open spaces and beautiful walks, cycle rides for all to benefit.
