Question 1b

Do you consider that the Local Plan sound? No

Question 2

Do you consider that this part of the Local Plan is unsound because it is not: (tick all that apply)

- Effective
- Justified

Question 3a

Your Comments

Please give details of why you consider that this part of the Local Plan is not legally compliant or unsound or fails to comply with the Duty to Cooperate.

I think that the proposed developments would not be good for this area. We live in Barmpton Lane, and understand that the traffic to and from the developments would be running up and down Barmpton Lane, and also Whinbush Way.

The roads that are proposed to carry this huge amount of additional traffic were never meant for so much extra wear and tear, and i feel would lead to traffic jams, and worse.

The additional pressure on doctors, and schools would also be an issue.

Question 5

Attendance at Examination Hearings

If your representation is seeking a change, do you consider it necessary to participate in the examination hearings?

No, I do not wish to participate at the examination hearings

Question 6

Do you request to be notified that the Local Plan has been submitted to the Secretary of State for independent examination under section 22(3) of the regulations and to be notified of the adoption of the Local Plan?

Yes, I request to be notified
