Question 3a

Your Comments

Please give details of why you consider that this part of the Local Plan is not legally compliant or unsound or fails to comply with the Duty to Cooperate.

The Council's responses to Neasham Parish Council's comments on the original Plan consultation have been noted.

It is noted that the Regulation 19 consultation draft incorporates all these matters, and in those circumstances Neasham Parish Council has no further representations to make. This is on the assumption that no change will be proposed at any stage of the process (1) to amend the developments limits relating to Neasham.
