Support: Green Wedges Policies Map:

Green Wedge Blackwell Grange Parkland: AP20. Council to amend the policies map to extend the Green Wedge designation so that it corresponds to the boundary of the Parkland with the built up area to the West and North. (Grangeside Blackwell Lane, Upsall Drive and Grange Road).

Alterations to Blackwell/Skerne Park and Haughton/Red Hall Green Wedge boundaries Retain the openness and green infrastructure functions of:

The green wedges of Cocker Beck/Mowden, Blackwell/Skerne Park and Haughton/Red Hall. Policy to protect and enhance the landscape character, setting and identity of the area.

I regularly walk my dogs on the parkland and enjoy the wildlife and open space it needs protecting and I enjoy it with the green wedge and all the grassland. It is extra green space across from where have already lost the green spaces and tress over the road (site 101)

Question 5

Please set out what changes you consider necessary to make the Plan legally compliant or sound and why, thinking about what you identified in Question 4. It will be helpful if you are able to put forward your suggested revised wording or any policy or text. Please be as precise as possible.

I would like the green wedge extended even further into the triangle at Blands Corner.

I object to MM191 paragraph c "Removal of wildlife site and biodiversity" but I support the restoration of the parkland. We need the wild spaces and open nature to enjoy as well as the wildlife.

I would like you to extend the red boundary and even further around the triangle in the red boundary. Please do not remove the wildlife site.
