I write re the Skertingham Garden Village Development :

Firstly, my daughter has asthma and I don't want her to die of an asthma attack due to air pollution.

Secondly, Barmpton Lane is already congested with parked cars - how are lorries going to get up there and without endangering the ever increasing amount of dog walkers about?

Thirdly, lorries coming off whinfield Road heading straight over the roundabout onto the by pass, often travel at speed and sometimes look like they are not going to stop and give way. This has resulted in me diverting round the roundabout to avoid impact on more than one occasion since living here.

Increasing the amount of hgv vehicles in this small area really worries me and safety must be put first. There are many elderly residents live nearby and children with whinfield school just down the road.

Please take my concerns into consideration before putting any plan into action.

#### **Question 5**

**Please set out what changes you consider necessary to make the Plan legally compliant or sound and why, thinking about what you identified in Question 4. It will be helpful if you are able to put forward your suggested revised wording or any policy or text. Please be as precise as possible.**
