I object to the above Skertingham village dev...we must realise Mature is in decline and this scheme would assist in further decline. Have all the brownfield locations and empty town centre building been considered for housing accom.

Cumbria is to create about 12,000 acres of forest and green spaces..D,Ton B.C is determined to destroy green spaces and promote more greenhouse gases and air pollution.

Barmpton lane is already like a Le Mans circuit and serves the Whinfield estates. (Residents don't like to use Whinfield road systems..too busy..ask local taxi drivers.,they use B lane to go from Stockton rd.roundabout to go to Whin field Asda)

Question 5
