I object to MM191 Paragraph C Removal of Wildlife site and biodiversity - but I support the restoration of the parkland.

This area has been a lovely natural area which has supported wildlife and been a haven for animals and people. I love to walk and enjoy the peace, the green grass and the trees. The birds and other wildlife are a treasure we should look after.

It is essential that the 'green wedge' and wildlife site is extended across the triangle near blands corner.

Support: Green Wedges Policies Map:

Green Wedge Blackwell Grange Parkland: AP20. Council to amend the policies map to extend the Green Wedge designation so that it corresponds to the boundary of the Parkland with the built up area to the West and North. (Grangeside Blackwell Lane, Upsall Drive and Grange Road).

Alterations to Blackwell/Skerne Park and Haughton/Red Hall Green Wedge boundaries Retain the openness and green infrastructure functions of:

The green wedges of Cocker Beck/Mowden, Blackwell/Skerne Park and Haughton/Red Hall. Policy to protect and enhance the landscape character, setting and identity of the area.

I have found the parkland invaluable to me to help restore my mental health due to COVID and other family issues. IT IS ESSENTIAL.

This is a beautiful green and natural area which enhances the local area. The area has already suffered from additional housebuilding and I would like to see the green designated area extended into the green triangle. This area should be saved of local wildlife and better biodiversity (403)
