Support: Green Wedges Policies Map:

Green Wedge Blackwell Grange Parkland: AP20. Council to amend the policies map to extend the Green Wedge designation so that it corresponds to the boundary of the Parkland with the built up area to the West and North. (Grangeside Blackwell Lane, Upsall Drive and Grange Road).

Alterations to Blackwell/Skerne Park and Haughton/Red Hall Green Wedge boundaries Retain the openness and green infrastructure functions of:

The green wedges of Cocker Beck/Mowden, Blackwell/Skerne Park and Haughton/Red Hall. Policy to protect and enhance the landscape character, setting and identity of the area.

Within the Blackwell area, this is the only area of land where you can safely walk with your family in comfort. There are various types of trees and bushes along with all the relevant wildlife to look at. It is a perfect area for families to come and relax, so I think it should stay as a green area and not be built upon.

Question 5

Please set out what changes you consider necessary to make the Plan legally compliant or sound and why, thinking about what you identified in Question 4. It will be helpful if you are able to put forward your suggested revised wording or any policy or text. Please be as precise as possible.

Extend the green wedge in to the bottom triangle

I object to MM191, paragraph c "removal of wildlife site and biodiversity", but i support the restoration of the parkland.

I use this area on a regular basis for walking with my friends, it is easy going for people of my age group. There is no other area around Blackwell where you can walk safely. Along the river tees is too rough for a lot of elderly people.
