Question 4

Please give details of why you consider the Darlington Local Plan, incorporating the proposed Modifications to which your representation relates, is not legally compliant or is unsound. If you wish to support the Plan or comment on the Sustainability Appraisal Report Addendum/Habitats Regulations Screening please also use this box to set out your comments.

Disappointed to learn that these houses at Skeringham are still going to be built.

The A1150 is going to become Darlington's biggest car park.

We live on Whinfield Park/Ashbrooke Estate and it is a nightmare at the best of times trying to get on the main road. Nowhere in these proposals and plans does it state how the traffic is going to be alleviated. There are still far too many lorries, trucks and commercial vehicles going along this road. It is only a matter of time before there is a serious accident.

Concerned.

Question 5

Please set out what changes you consider necessary to make the Plan legally compliant or sound and why, thinking about what you identified in Question 4. It will be helpful if you are able to put forward your suggested revised wording or any policy or text. Please be as precise as possible.
