Support: Green Wedges Policies Map:

Green Wedge Blackwell Grange Parkland: AP20. Council to amend the policies map to extend the Green Wedge designation so that it corresponds to the boundary of the Parkland with the built up area to the West and North. (Grangeside, Blackwell Lane, Upsall Drive and Grange Road).

Alterations to Blackwell/Skerne Park and Haughton/Red Hall Green Wedge boundaries Retain the openness and green infrastructure functions of:

The Green Wedges of Cocker Beck/Mowden, Blackwell/Skerne Park and Haughton/Red Hall. Policy to protect and enhance the landscape character, setting and identity of the area.

It is important to keep as much green areas as possible as this is important for the environment and also our own well being. I came here to clear my mind, and take a slow peaceful walk with my dog as I have a terminal illness and I find this helps me physically and mentally.

## Question 5

**Please set out what changes you consider necessary to make the Plan legally compliant or sound and why, thinking about what you identified in Question 4. It will be helpful if you are able to put forward your suggested revised wording or any policy or text. Please be as precise as possible.**

I would like to see the green area to extend to the triangle. It makes no sense not to have this area. It will protect more wildlife that have their homes here.

I object to MM191 - paragraph c, removal of the wildlife site and biodiversity but I do support the restoration of the parkland. It all needs protecting, as it is a wonderful, natural area. I find it a safe place where I can feel 1 with nature. We need more areas like this. It all must be saved.

I think the boundary needs extending as we need to keep the area as a whole, 403. I want the wildlife area keeping, as we need as much nature as we can.
