Support: Green Wedges Policies Map:

Green Wedge Blackwell Grange Parkland: AP20. Council to amend the policies map to extend the Green Wedge designation so that it corresponds to the boundary of the Parkland with the built up area to the West and North. (Grangeside Blackwell Lane, Upsall Drive and Grange Road).

Alterations to Blackwell/Skerne Park and Haughton/Red Hall Green Wedge boundaries Retain the openness and green infrastructure functions of:

The green wedges of Cocker Beck/Mowden, Blackwell/Skerne Park and Haughton/Red Hall. Policy to protect and enhance the landscape character, setting and identity of the area.

I regularly visit the green wedge to walk my dog. This land has always been here as long as I have been alive, a real asset to our town which we should not lose. Clean air, trees, peace and quiet this should not be changed. We should be proud to have this area as a green welcome to our town.

Question 5

Please set out what changes you consider necessary to make the Plan legally compliant or sound and why, thinking about what you identified in Question 4. It will be helpful if you are able to put forward your suggested revised wording or any policy or text. Please be as precise as possible.

We wish the green wedge to be extended across the whole perimeter, including the whole corner out to Blands Corner.

I object to MM191, paragraph c "removal of wildlife site and biodiversity", but i support the restoration of the parkland. This green area is historic to our town and should remain so. As a town we need to keep and protect it.

I want the red boundary to extend fully around the corner down to Blands Corner. I absolutely do not want the wildlife area to be removed.
