I object to MM191 paragraph c removal of the wildlife site and biodiversity but I support the restoration of the parkland. I feel it is important to include the entire space and keep it complete. The history in the area should not be divided and destroyed. Building new houses in this area is not required when the town has empty town centre properties.

Support: Green Wedges Policies Map:Green Wedge Blackwell Grange Parkland: AP20. Council to amend the policies map to extend the Green Wedge designation so that it corresponds to the boundary of the Parkland with the built up area to the West and North. (Grangeside Blackwell Lane, Upsall Drive and Grange Road).

Alterations to Blackwell/Skerne Park and Haughton/Red Hall Green Wedge boundaries Retain the openness and green infrastructure functions of:

The green wedges of Cocker Beck/Mowden, Blackwell/Skerne Park and Haughton/Red Hall. Policy to protect and enhance the landscape character, setting and identity of the area.

I have visited the parkland since I was a boy. The peaceful calming nature filled woods and the open grass has been a comfort to me all my life. It is a fantastic area to visit to clear my mind.

Please protect the entire area including the trees at the bottom corner facing Blands corner. These mature trees are majestic. As an asthmatic I need trees so I have clean air.
