Question 4

Please give details of why you consider the Darlington Local Plan, incorporating the proposed Modifications to which your representation relates, is not legally compliant or is unsound. Please be as precise as possible. If you wish to support the Plan or comment on the Sustainability Appraisal Report Addendum/Habitats Regulations Screening please also use this box to set out your comments.

I wish to lodge my objection to the proposed development on the Blackwell Grange East site 403.

The removal of clause 6 in the draft is a disgrace and this councils rush to build on green pristine wildlife sites is deplorable. Plenty of brownfield sites are within the town envelope and should be developed BEFORE more of our green sites are built upon.

On one hand we have volunteers planting trees to encourage and maintain the biodiversity in our area. Whereas this council seem hell bent on wiping out wildlife habitats as fast as they can.

Question 5

Please set out what changes you consider necessary to make the Plan legally compliant or sound and why, thinking about what you identified in Question 4. It will be helpful if you are able to put forward your suggested revised wording or any policy or text. Please be as precise as possible.
