Question 4

Please give details of why you consider the Darlington Local Plan, incorporating the proposed Modifications to which your representation relates, is not legally compliant or is unsound. If you wish to support the Plan or comment on the Sustainability Appraisal Report Addendum/Habitats Regulations Screening please also use this box to set out your comments.

I am emailing to register my concern about the planned development above. I feel strongly that the council should be looking to brownfield sites, including all the empty buildings in the town centre which could be used for housing rather than destroying green spaces and wildlife habitat; I am very concerned that the line about this area being an important site for wildlife and biodiversity has been struck out of the document; please can you explain this? I am emailing on behalf of myself and my two children, who both love wildlife and having open wild spaces to walk, run and cycle in.

Question 5

Please set out what changes you consider necessary to make the Plan legally compliant or sound and why, thinking about what you identified in Question 4. It will be helpful if you are able to put forward your suggested revised wording or any policy or text. Please be as precise as possible.
