Question 4	

Please give details of why you consider the Darlington Local Plan, incorporating the proposed Modifications to which your representation relates, is not legally compliant or is unsound. Please be as precise as possible. If you wish to support the Plan or comment on the Sustainability Appraisal Report Addendum/Habitats Regulations Screening please also use this box to set out your comments.

We represent the Church Commissioners for England (CCE) who have site / allocation (ref 100) to west of the town. We have reviewed the modifications to the Darlington Local Plan, currently out to consultation and do not have any specific comments to make at this time. The allocation remains the same as that discussed at the EIP and we continue to assert it is suitable, available and deliverable.

We look forward to hearing the outcome of the consultation and also feedback from the Inspector in his report in due course.

Question 5

Please set out what changes you consider necessary to make the Plan legally compliant or sound and why, thinking about what you identified in Question 4. It will be helpful if you are able to put forward your suggested revised wording or any policy or text. Please be as precise as possible.
